

LITCHFIELD COUNTY REPORT

June 2015 thru March 29, 2016

Litchfield County met three times June 2015 New Hartford, July 2015 Goshen and January 2016 Thomaston. The June meeting was to discuss the recent Legislative events. The July meeting was the Certification programs maiden voyage which I am happy to say has been embraced by most and the January meeting was to discuss the upcoming year of events. We have planned a meeting in April in Bethlehem where we will make plans for the coming year. Thank you all Anne-Marie Mastroianni Litchfield County Chair.
